Inducements

In providing investment services, Nectaro receives commissions from third parties which could be considered as incentives. These incentives are used to improve the quality of investment services provided to investors. The fee structure for the investor and the profitability of the investment are not affected by these incentives.

Nectaro is entitled to certain fee from the Loan Originator depending on the volume of the outstanding Notes purchased by investors. The fee depends on the agreement between the Loan Originator and Nectaro. Fee is calculated on a monthly basis based on daily total outstanding Notes purchased by investors every calendar month. The payment is charged monthly.
